

# How can we help **YOU** with inclusion support?

## Would you like?

- Innovative and flexible solutions to inclusion?
- To build on your inclusion capacity and capability?
- Help communicating with and engaging CALD families?
- Support settling children from CALD, Aboriginal and Refugee backgrounds?
- School readiness support for CALD children in their Transition to School?
- Translation of basic documents into a variety of languages?
- Strategies to meet the cultural and linguistic needs of children with disabilities, including bilingual support?

**Bicultural Support Program**  
**YOUR KEY TO INCLUSION!**

## Access our FREE services today!

With over 40 years' experience, our state-wide program is a UNESCO-recognised best practice model. Over **400 Early Childhood trained Bicultural Support Workers** and **Consultants** make up our team, which represents over 110 languages, including new and emerging languages and some Indigenous languages.

We can provide a range of **FREE** specialised bilingual/bicultural resources, support and services through **Multicultural Children's Services**, a program of **Ethnic Community Services Co-operative**.
